## Classroom Rules and Discipline Plan

### Classroom Rules

1. Raise your hand to speak.
2. Follow directions quickly.
3. Listen when someone is speaking.
4. Be a caring friend.
5. Always do your best.

### Discipline Plan

- GREEN** Where everyone starts out their day. A Skittle at the end of the day is the reward for not having their card pulled.
- YELLOW** When a few warnings have taken place and behavior has not improved. The consequence is 5 minutes out during recess. This is just a reminder and no note goes home to parent. No Skittle at the end of class.
- ORANGE** When reminders are not helping and a note must be sent home to the parents. Ten minutes out during recess or centers. No Skittle at the end of class.
- RED** When an infraction has occurred that results in a visit to Mrs. Lindsey's office. A phone call will be made to the parent and the student will sit out for the entire duration of recess. This is usually a result of harm to another student, direct disobedience, etc. Needless to say ... no Skittle at the end of class ... but hug from the teacher is inevitable along with the phrase, "Tomorrow is a new day, and Jesus and I still love you!"

### Rewards

A student may earn tickets throughout the year for good behavior. These may be turned in for prizes.
